Name of the Faculty	Option 1	Option 2	Option 3	Option 4	Option 5
D.JEEVANA JYOTHI	problemsolving&programming	object oriented programming through java	operating systems	problem solving &programming lab	web development application lab
KUMMARA LOKESHNATH	DATABASE MANAGEMENT SYSTEMS	WEB DEVELOPMENT APPLICATION	COMPUTER ORGANISATION AND OPERATING SYSTEMS	DATABASE MANAGEMENT SYSTEMS	WEB DEVELOPMENT APPLICATIONS
Dr. P. Chitralingappa	SE CSD	CD-CSD	DAA-CSD	-	-
Dr.B.Hari chandana	III CSE Web Development Application	III CSE Operating system	III CSE Computer networks	Web Development Application lab	Operating system lab
Dr C Sasikala	Object Oriented Programming through Java	Computer Networks	Design and Analysis of Algorithms	OOPs Lab	Computer Networks and OS Lab
K KONDANNA	Object Oriented Programming	Software Engineering	Design Analysis and Algorithms	Object Oriented Programming	Data Warehousing and Data Mining
C. Sudheer Kumar	Object Oriented Programming	Data Warehousing and Data Mining	Database Management Systems	Object Oriented Programming Lab	Data Base Management Systems Lab
Dr. G. Hemanth Kumar Yadav	Fundamentals of Cyber Security	Object Oriented Programming(CSM)	Artificial Intelligence(CSM/CSD)	Object Oriented Programming Lab	Artificial Intelligence Lab
M Narasimhulu	Operating systems	Data management systems	Object oriented programming through java	CN AND OS Lab	OOps through java lab
Dr.G.K. Venkata Narasimha Reddy	Operating system	Software engineering	Data warehousing and data mining	CN and OS lab	Machine learning lab
P. VEERA PRAKASH	SOFTWARE ENGINEERING	DATABASE MANAGEMENT SYSTEMS	Object Oriented Programming	NA	NA
Soumya Madduru	Applied Statistics (II CSM)	Design and analysis of algorithms	Wireless sensor Networks	Applied statistics lab	DBMS lab
Dr T VENKATA NAGA JAYUDU	Fundamentals of cyber security	Computer Networks	Operating systems	CNOS lab	IoT lab
S. Sunitha	Database Management Systems	Datawarehousing and Data Mining	Problem solving and programming	Database Management systems laboratory	Datawarehousing and data mining
Mr.G.Chinna Pullaiah	Software Engineering -CSM	Introduction to Artificial intelligence	Applied Statistics	Applied Statistics Lab -CSM	Introduction to Artificial intelligence Lab
G. Nagaleela	Object oriented programming	Database management system	Software Engineering	Object oriented programming lab	Database management system lab
V.Kamakshamma	Operating system	Design and analysis of algorithm	Database management systems	Operating systems lab	Database management system lab
K Venkatesh	CD - CSD/CSM	DAA CSD /csm	-	-	-
